

# Roadside Emergency Assistance Guide

- Call our Toll Free Number.  
1800 209 5253
- Advise operator the location of your vehicle and the nature of the problem
- Advise the operator that you are covered by Ayvens Roadside Emergency Assistance & quote your Vehicle Registration Number

# Benefits and Features

## 24x7 Service

24x7 assistance service is exclusive to eligible Ayvens customers. All vehicles enrolled in the program are covered within the 100 km range of breakdown spot and beyond 100 km as per applicable charges.

## Urgent Message Relay

Roadside Emergency Assistance can also provide an urgent message relay service for you to help to stay in contact with family, friends, and/or work colleagues in the event of a vehicle breakdown or accident. Under adverse weather conditions such as floods, heavy thunder, snowfall, and lightning, it may not be possible to reach you until the weather improves. At such times, the towing of your vehicle may not be possible and it may be more appropriate to enable you to reach a place of safety and then tow your vehicle as conditions permit.

## Roadside Assistance and Recovery

In the event that your vehicle is immobilized at home or elsewhere in the covered area (as long as the vehicle is not already at an Ayvens preferred dealer), Ayvens Roadside Emergency Assistance will arrange help for you. We will always endeavor to arrange assistance from our trained service providers to resolve the problem on the spot, but if the problem cannot be resolved at the roadside, we will organize and pay for the towing of your vehicle to the nearest Ayvens preferred dealer. Please ensure that all your belongings are removed from the vehicle prior to towing as we cannot be held responsible for any loss or damage to these items (subject to availability of the facilities). In the event that your vehicle is towed to the nearest Ayvens Roadside Authorised Dealership by Ayvens Roadside Emergency Assistance, best efforts shall be made to arrange for a taxi for the occupants of the vehicle, the bill for which is to be settled directly by the occupants to facilitate the continuation of the journey.

# Benefits and Features

## Keys Locked in Vehicle

Modern security systems make it extremely difficult for us to gain entry to your vehicle in case spare keys are not available. If spare keys are not readily available, your car shall be towed to the nearest Ayvens preferred dealer.

## Force Majeure

Ayvens Roadside Emergency Assistance shall not be liable for failure to provide the services under the terms of service set out in this document if such failure is caused or contributed by acts of nature, acts of a public enemy, acts of governmental authority or any political sub-division or any department or regulatory agency thereof or entity created thereby, acts of terrorism, orders of any court or arbitrary body, acts of any person engaged in subversive activity or sabotage, strikes, embargoes, delays due to any of the above causes or events beyond our reasonable control.

## Wait at Site

Ayvens Roadside Emergency Assistance understands the frustration and inconvenience experienced by a vehicle owner in the event of a breakdown. Our aim is to ensure that any inconvenience is kept to a minimum. Therefore, on receipt of your call, our fully-trained Call Centre staff will immediately arrange for the nearest and most appropriate service provider to assist you. The duration of the wait will depend on the availability of the assistance provider, your breakdown location, and traffic & weather conditions. During the course of the assistance, we will maintain contact with you and provide updates on the estimated time of arrival of the service provider.

# Benefits and Features

## Vehicle Handover, if Necessary

It is mandatory for you to be present at the breakdown location for assistance services to be rendered to your vehicle. In the event of towing, you are required to sign a release form before your vehicle can be towed to the nearest authorized Ayvens preferred dealer. Please ensure that you remove all your belongings from your vehicle prior to towing. Ayvens Roadside Emergency Assistance will not be responsible for any loss or damage to personal belongings left in the vehicle. You have to collect the vehicle from the workshop if it is in a non-contracted location.

## Electric Vehicles

A portable charging facility is available in 5 cities (vehicle to vehicle) – Delhi, Mumbai, Bengaluru, Pune & Hyderabad. Apart from portable charging assistance, other services like RSR and Towing Pan India are available.

## Exceptions

It will not cover the following problems you may encounter while driving your vehicle unless there is a real and discernible threat to your personal safety and the safety of others:

- Faulty fuel gauge or speedometer or air conditioning is not working.
- Passenger door(s) cannot be opened and there are no passengers in the vehicle or the boot cannot be opened.
- The horn is not functioning, but if the horn is sounding continuously, Ayvens Roadside Emergency Assistance will assist.
- Damaged door mirrors or rear view mirrors are damaged but it does not obstruct the driver's vision.
- Damaged or faulty fuel cap but the vehicle has not run out of petrol and there is enough fuel in the tank to enable the vehicle to reach the nearest authorized Ayvens preferred dealer

# Benefits and Features

## Exceptions

- Sunroof/Windows cannot be opened or cannot be closed but weather conditions are fair and the vehicle is not exposed to any security risk.
- Faulty security system unless the vehicle is immobilized or unless the alarm is sounding continuously.

## Services Available for EV & ICE engine vehicles

Services	EV	ICE
Towing to nearest authorized dealership	Yes	Yes
Towing to the nearest Charging Station	Yes	
RSR - Vehicle to Vehicle Charging	Yes	
Custody	Yes	Yes
