

SWOPCAR: MEETING THE MOBILITY NEEDS OF EMPLOYEES

DRIVER-ORIENTED

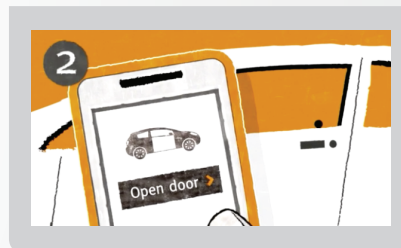

From vehicle-oriented services to individual driver-oriented services

HOW IT WORKS

Easy to book a car online or on a smartphone

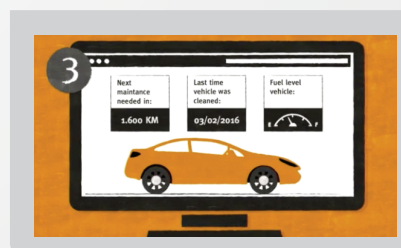

Easy to access a SwopCar without the use of a key.

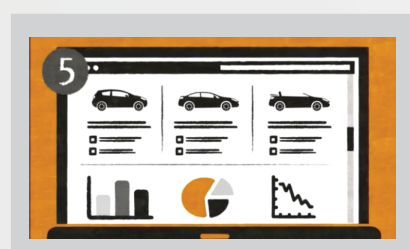

The SwopCar service has a dedicated SwopCar team, for inquiries or support.

By tracking every SwopCar, it's easy to keep each vehicle maintained, fueled and cleaned.

SwopCar has a usage reporting system for results and insights.

BENEFITS

- Maximise vehicle utilisation
- Optimising company's spend
- Better & sustainable performance
- Improved efficiencies for fleetmanagers
