LeasePlan

Consultancy Services Romania

July 2018

Why benchmarks?

LeasePlan Consultancy Services Romania together with your dedicated Key Account Team put together this benchmark report to support you during decision making process.

Whether you plan to build or update your *car* policy, look into *optimizing fleet costs* or set-up a *tender*, we believe that key (anonymous) data from your industry peers are valuable.

Because we are your mobility partner, we share this report as a *courtesy benefit*.

Intro

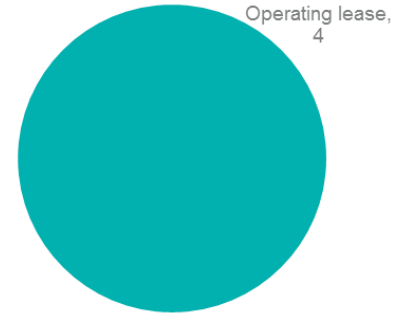

Company perspective

Who is the DMU?

Predominant method of acquisition?

How is the fleet managed?
