

# LICENSE & TITLE

# Keep Your Fleet Moving

Are your employees and drivers wasting uptime at the DMV? Are you spending extra money paying for late fees and fines? Let LeasePlan handle all of the details so you can keep your team on the job and your fleet always moving.

## Renewal Management

- + Streamlined registration process
- + Network of DMV and Partners
- + Timely notifications and communications

## Title Management of Terminated Units

- + Planned vehicle retirement 1 year in advance
- + Reporting of titles and records following state regulations
- + Properly recycling of titles after termination

## Title Management

- + Secured title storage
- + Specialty titles for grants and projects
- + No delays with state changes, new vehicles and disposed vehicles

## IFTA/IRP Management

- + Managing annual renewals and quarterly tax filings
- + Ensure your trucks are accurately registered
- + Consolidated licensing and reporting requirements through your base state

**Power your business forward**
