

New vehicle order and demonstrator lead-times

Whether you're arranging a test drive or ordering a new vehicle, it couldn't be easier...

This document contains lead-time information to help you on your way to order your new vehicle.

Demonstrators

A demonstrator is a loan vehicle from the dealer or manufacturer that will be the closest match to the one you are interested in ordering, and will be provided for a maximum of 72 hours. Insurance needs to be covered by your business or work and will not be covered by the dealer or

ALD | LeasePlan. Please click on your preferred manufacturer's logo below to find demonstrator lead-times at the top of each section.

New vehicle lead-times

New vehicle lead-times provide the average amount of time from point of order with the dealer to the time you'll receive your vehicle.

Lead-times provided are averages and subject to change

at any time due to demand or manufacturer changes, but we'll do our best to keep you informed.

Most vehicles are built to order by manufacturers to meet customer specifications, this takes a little time including shipping and this is called the 'lead-time for delivery'.

Please click on your preferred manufacturer's logo below to find new vehicle lead-times below the demonstrator section.
